Dear mr Denis and ms Boyadjieva,
I would like to thank you very much for the excellent organization of the competition "de Bach au jazz"!It was honor for us to perform in such a concert hall like this of Schola Cantorum and study in practice rooms that such legendary personalities had taught and had performed.The quality of the competition was proved by its numerous participations from all over the world as well as from the very high level that existed from just the first year! I trully hope to continue this competition with the same success in the following years!
With gratitude,
Penny Tsilivakou
