Prague, 20th of May 2013

Dear Mrs. Boyadjieva, dear Schola Cantorum, dear Organizers,

As a mother of a child who participated in Concours International de Piano De Bach au Jazz I would like to thank you for 4 days full of music and friendly atmosphere in the building of Schola Cantorum with its great history.
My daughter Sara really enjoyed playing and listening in such a nice environment in Paris. Thank you again for the 1st year of the competition and hope there will be many more years as successful as the 1st one.

My best regards,

Petra Smoliarová (Prague)
